**(Coding Club)**

## About the Contest

The Code Byte Coding Contest was organized by Coding Souls: Until Salvations on October 7, 2022, on the HackerRank online platform. The contest was held to improve the analytical and problem-solving skills of students in preparation for campus placements. The contest was open to all students of Sushila Devi Bansal College, Indore, and a total of 42 students participated in the contest.

The participants were required to pay a registration fee of Rs. 50 to participate in the contest. The contest was organized under the guidance of Dr. Atul Agrawal, the faculty coordinator, and Mr. Shahnawaz Khan, the student coordinator. Mr. Aman Atya served as the problem setter for the contest. Additionally, the student representatives for the event were Sanket Patil and Nikita Bobde.

The contest started at 1:00 pm and lasted for three hours. The participants were required to solve five coding problems of varying difficulty levels that tested their programming skills and knowledge of algorithms, data structures, and logical thinking.

The contest was conducted in a fair and transparent manner, with equal opportunities provided to all participants to showcase their skills. The solutions submitted by the participants were evaluated, and the winners were declared based on the accuracy and time taken to solve the problems.

The top three performers of the contest were awarded prizes and certificates. The winners of the Code Byte Coding Contest are as follows:

- 1st Place – Arti Rajawat (Prize: Rs. 1000)
- 2nd Place – Devansh Mundi (Prize: Rs. 700)
- 3rd Place – Manali Khandekar (Prize: Rs. 500)

On February 15, 2023, the prizes were distributed to the winners in the presence of the faculty coordinator Dr. Atul Agrawal. The winners were appreciated for their excellent performance and were encouraged to continue honing their coding skills.

The participants appreciated the opportunity provided by the contest to improve their coding skills and compete with their peers. They also appreciated the efforts put in by the organizers, including the faculty coordinator Dr. Atul Agrawal, the student coordinator Mr. Shah Nawaz Khan, the problem setter Mr. Aman Atya, and the student representatives Sanket Patil and Nikita Bobde, in conducting the contest in a professional and transparent manner.

Overall, the Code Byte Coding Contest was a great success and helped the students to prepare for their future campus placements by improving their coding skills and problem-solving abilities under the guidance of experienced coordinators and problem setters.
